

Dear Elonda and Dave,

I had the opportunity to meet you through puppy find. We bought our little Happy girl from you. She is an ABSOLUTE LOVE!! She has the BEST personality you could ever find. Happy girl couldn't have been any nicer, she is a beautiful pup and kept in an outstanding condition. I do appreciate everything you have done for Happy girl and also for my family for having a new member.

Happy girl arrived in Sweden so well taken care of. There was some information in her paperwork that needed to be taken care of, but NO PROBLEMS you took care of it all. I am so amazed over your work and your love for your babies

I have been reading things about you Elonda, where people are accusing you of bad behavior in different ways....I have nothing but WONDERFUL things to say about you, your business and about our great puppy from you.

Sometimes people just aren't happy when they know other people are doing so well- I think this is referred to as jealousy.

I have recommended you to many and will continue to do so.

So, hopefully for every negative response you'll receive some positives in return because I know we have nothing but wonderful things to say about you and your professionally run business.

Best regards  
Always your friend
